

TABLE OF CONTENTS

EXECUTIVE SUMMARY

A. Background	ES-1
B. Summary of the Disparity Study research	ES-2
C. Summary of Information concerning overall DBE goals	ES-11
D. Other key results	ES-13

CHAPTER 1. INTRODUCTION

A. Study team.....	2
B. Federal DBE Program.....	2
C. Analyses performed in the Disparity Study and location of results.....	6
D. Public comment process for the 2015 Disparity Study report	10

CHAPTER 2. LEGAL FRAMEWORK

A. The Federal DBE Program.....	3
B. State and local minority and women business programs in the United States.....	5
C. Legal standards that race- and gender-conscious programs must satisfy.....	5

CHAPTER 3. ADOT TRANSPORTATION CONTRACTS

A. Overview of ADOT transportation contracts.....	1
B. Collection and analysis of contract data.....	3
C. Types of work Involved in ADOT contracts.....	5
D. Location of businesses performing ADOT work.....	9

CHAPTER 4. MARKETPLACE CONDITIONS

A. Entry and advancement.....	2
B. Business ownership	4
C. Access to capital, bonding and insurance.....	5
D. Success of businesses	11
Summary.....	16

CHAPTER 5. AVAILABILITY ANALYSIS

A.	Purpose of the availability analysis.....	1
B.	Definitions of MBEs, WBEs, certified DBEs, potential DBEs and majority-owned businesses	2
C.	Information collected about potentially available businesses	5
D.	Businesses included in the availability database	8
E.	MBE/WBE availability calculations on a contract-by-contract basis	9
F.	Availability results.....	12
G.	Base figure for ADOT's overall DBE goal for FHWA-, FAA- and FTA-funded contracts....	13

CHAPTER 6. UTILIZATION AND DISPARITY ANALYSIS

A.	Overview of the utilization analysis.....	1
B.	Overall MBE/WBE and DBE utilization on ADOT contracts	3
C.	Utilization by racial, ethnic and gender group.....	4
D.	Disparity analysis for ADOT contracts	9
E.	Statistical Significance of disparity analysis results	14

CHAPTER 7. FURTHER EXPLORATION OF MBE/WBE AND DBE UTILIZATION ON FHWA- AND STATE-FUNDED CONTRACTS

A.	Utilization with and without DBE contract goals.....	2
B.	Construction and engineering contracts	2
C.	Utilization in ADOT contracts and local public agency contracts	3
D.	Utilization in July 2007-June 2011 and July 2011-June2013 time periods	4
E.	Utilization in Northern, Central and Southern regions.....	4
F.	Utilization in prime contracts and subcontracts.....	5
G.	Analysis of potential barriers to MBE/WBE/DBE participation in ADOT construction contracts.....	5
H.	Analysis of potential barriers to MBE/WBE/DBE participation in ADOT engineering-related prime contracts	9
I.	ADOT operation of the Federal DBE Program, including overconcentration analysis	13
J.	Summary from the further exploration of MBE/WBE and DBE utilization	28

CHAPTER 8. OVERALL ANNUAL DBE GOAL AND PROJECTIONS FOR FHWA-FUNDED CONTRACTS

A.	Establishing base figure	2
B.	Consideration of step 2 adjustment	2
C.	Portion of DBE goal for FHWA-funded contracts to be met through neutral means.....	9
	Summary.....	15

CHAPTER 9. OVERALL ANNUAL DBE GOAL AND PROJECTIONS FOR FAA-FUNDED CONTRACTS

A. Establishing a base figure	1
B. Consideration of a step 2 adjustment	2
C. Portion of DBE goal for FAA-funded contracts to be met through neutral means.....	5
Summary.....	7

CHAPTER 10. OVERALL ANNUAL DBE GOAL AND PROJECTIONS FOR FTA-FUNDED CONTRACTS

A. Establishing a base figure	1
B. Consideration of a step 2 adjustment	1
C. Portion of DBE goal for FTA-funded contracts to be met through neutral means	5
Summary.....	8

APPENDIX A. DEFINITION OF TERMS..... A-1**APPENDIX B. LEGAL FRAMEWORK AND ANALYSIS**

A. Introduction.....	B-1
B. U.S. Supreme Court cases.....	B-4
C. The legal framework applied to the Federal DBE Program and state and local government MBE/WBE programs	B-5
D. Recent decisions involving the Federal DBE Program and state and local government MBE/WBE programs in the Ninth Circuit.....	B-25
E. Recent decisions involving the Federal DBE Program and its implementation in other jurisdictions	B-56
F. Recent decisions involving state or local government MBE/WBE programs in other jurisdictions	B-106
G. Recent decisions and authorities involving federal procurement that may impact DBE and MBE/WBE programs	B-172

APPENDIX C. CONTRACT DATA COLLECTION

A. ADOT contract and agreement data.....	C-1
B. Local public agency (LPA) contract data.....	C-3
C. ADOT bid and proposal data.....	C-4
D. Characteristics of utilized firms and bidders	C-4
E. ADOT review	C-5
F. Data limitations	C-5

APPENDIX D. AVAILABILITY ANALYSIS

A. General approach to collecting availability information	D-1
B. Development of the interview instruments	D-5
C. Execution of interviews	D-6
D. Additional considerations related to measuring availability	D-9
ADOT Disparity Study — Availability Interview Instrument	D-12

APPENDIX E. ENTRY AND ADVANCEMENT IN THE ARIZONA CONSTRUCTION AND ENGINEERING INDUSTRIES

Introduction	E-1
Construction industry	E-4
Engineering industry	E-16
Summary.....	E-21

APPENDIX F. BUSINESS OWNERSHIP IN THE ARIZONA CONSTRUCTION AND ENGINEERING INDUSTRIES

Business ownership rates	F-1
Business ownership regression analysis	F-5
Summary of business ownership in the construction and engineering industries	F-12

APPENDIX G. ACCESS TO CAPITAL FOR BUSINESS FORMATION AND SUCCESS

Homeownership and mortgage lending	G-2
Access to business capital.....	G-14
Bonding and insurance	G-30
Summary.....	G-32

APPENDIX H. SUCCESS OF BUSINESSES IN THE ARIZONA CONSTRUCTION AND ENGINEERING INDUSTRIES

Participation in public and private sector markets	H-2
Relative bid capacity	H-6
Business closures, expansions, and contractions	H-9
Business receipts and earnings.....	H-15
Availability interview results concerning potential barriers	H-26

APPENDIX I. DESCRIPTION OF DATA SOURCES FOR MARKETPLACE ANALYSES

IPUMS data	I-1
Survey of Small Business Finances (SSBF)	I-9
Survey of Business Owners (SBO)	I-11
Home Mortgage Disclosure Act (HMDA) data	I-12

APPENDIX J. QUALITATIVE INFORMATION FROM IN-DEPTH PERSONAL INTERVIEWS AND AVAILABILITY INTERVIEWS

A. Introduction and background.....	J-2
B. Background on the transportation contracting industry in Arizona.....	J-5
C. Doing business as a prime contractor or as a subcontractor	J-25
D. Keys to business success.....	J-32
E. Other barriers to doing business with public agencies.....	J-50
F. Other allegations of unfair treatment	J-60
G. Insights regarding business assistance programs, changes in contracting processes and any other neutral measures	J-71

H.	Insights regarding DBE Program or any other race-/ethnicity- or gender-based measures	J-81
I.	DBE certification	J-92
J.	Overall comments about the preliminary proposed overall DBE goal for FHWA-funded contracts and the 2014 Availability Study	J-97
K.	Summary of 2015 Public Meeting comments and other input	J-99
